The **21st IEEE International Multi Topic Conference 2018 (IEEE INMIC 2018)** is an international forum for the presentation of technological advances and research results in the fields of Engineering Sciences and Technology. It will provide a platform for an exchange of ideas between major industries, entrepreneurs and academia to create a path towards the development of dynamic research environment. This conference also provides opportunities for the participants to exchange new ideas, applications, and experiences and to establish research relations.

Experts from Pakistan and abroad are participating in this conference. We are delighted to have you as one of the honorable participants in the conference by presenting your research work.

## Submission Guidelines

Potential authors are invited to submit their work (pdf version only) with complete results including figures, tables, and references. All authors must prepare their papers in minimum 4 pages and no more than 8 pages, must be written in English, and strictly follow the IEEE format whose templates can be downloaded directly from IEEE ([MS Word doc](#), [Web link](#)). Please refer to the [conference website \(http://inmic.org.pk\)](#) for further information and updates. Submit full paper through the link:

<https://easychair.org/conferences/?conf=ieeeeinmic2018>

All papers must be original and not simultaneously submitted to another journal or conference. Only **Full Paper** category is welcome.

Paper must be original and relevant to one of the conference topics. Please do not include author names and affiliations in the manuscript. This is a double blind review process. Author information should be supplied in camera-ready submission.

**The submission due date for Full Papers is July 31, 2018.**
