

19th International and 31st National
Chemistry Conference
on Emerging Trends in Chemistry 2021

DECEMBER 16-18, 2021

Jointly Organized by
Department of Chemistry, ORIC-UMT and
The Chemical Society of Pakistan

University of Management and Technology, Lahore chartered by the Government of the Punjab and is recognized by the Higher Education Commission of Pakistan (HEC) as a W4 category (highest rank) university. UMT ranked among top 600 universities in the world for societal impact by The Times Higher Education ranking. The pool of faculty consists of more than 750 members. It has 18 schools and institutes offering more than 125 programs. Department of Chemistry is a newly established department of UMT. It offers BS (4 years), MS and PhD programs of studies. It has a highly qualified faculty with diversified research interests. It shares its research activities with different national/international agencies through collaborative projects. Department of Chemistry, UMT Lahore, Pakistan is organizing 19th International and 31st National Chemistry Conference on Emerging Trends in Chemistry (2nd CCUMT-2021) jointly with the Office of Research Innovation and Commercialization (ORIC-UMT), and Chemical Society of Pakistan at university main campus on December 16-18, 2021.

Aims and objectives of the conference are:
