

AVINER

INTERNATIONAL CONFERENCE ON AVIATION INDUSTRY
EDUCATION, AND REGULATION.

Aviner

The 1st International Conference on aviation industry, education, and regulation (AVINER 2020) will take place in Jakarta, Indonesia, August 12-13th 2020. This event is organized by Faculty of Aerospace Technology from Air Marshal Suryadarma Aerospace University (UNSURYA), co-organized by Adisutjipto College of Technology (STTA), advised by Faculty of Mechanical and Aerospace Engineering (FTMD ITB), and technically supported by Indonesia Aircraft Maintenance Services Association (IAMSAS).

AVINER 2020 is a prestige conference on aviation industry, education, and regulation in which prominent researchers, scientists, and people from the aviation industry worldwide will not only share information and data but also exchange ideas on the latest scientific researches. This will further promote international networking as well as collaboration in the future. AVINER 2020 is also supported by MIMEC UTM Malaysia, Faculty of Engineering Universitas Lampung, and Java Scientific Academy, Indonesia.

Topic

Aerospace Engineering, aircraft design, aircraft structure, advanced aircraft propulsion, aerodynamic and flight control, aircraft maintenance technology, aeronautical simulation and modelling, aircraft electronics, aircraft materials UAV, astrodynamics.

Aviation Technology, air transportation, aviation operation, airport operation, airport design, logistics.

Supporting Science and Technology, conservation of energy, environmental issues, telecommunications, navigations, computer and information technology, big data analysis, statistics and applied mathematics.

Education Curriculum, learning outcome and industrial needs, learning outcome and academic need, vocational and non vocational curriculum, human resources for education, higher education system.

Safety, Regulation, and Defence System, safety management system, national, regional, and international regulation, health, safety, and environment, operation research, defence technologies, defence issues.

Publication

The accepted and presented paper will be considered for publication in IOP MSE Proceeding (Scopus indexed). High quality article should be modified for submission to partner journals of AVINER 2020, i.e.: Metals (IF : 1.984, Q1); Sustainability (IF :1.789, Q3); Facta University series Mechanical Engineering (ISI/WoS ESCI indexed); Metallurgical and Material Engineering (ISI/WoS ESCI indexed). Other partners of AVINER 2020 for publication are including Journal of Engineering and Scientific Research (ISSN: 2685-1695); International Journal of Aviation Science and Engineering (ISSN: 2715-6958) and other reputed National journals (SINTA indexed).

*additional cost may apply

Registration Fees

Participant	Event	Student	Non Student		
			Early Bird	Regular	Final Reg
Presenter	International	2 Day Event	USD 150	USD 200	USD 225
	Local Student (Only)		IDR 2.000.000	IDR 2.500.000	IDR 3.000.000
Workshop For Scientist	Day 1 Only		IDR 300.000		
Non Presenter	International	Day 1 Only	USD 75	USD 100	USD 125
	Local Student (Only)		IDR 1.000.000	IDR 1.250.000	IDR 1.500.000

Important Date

- 27 Apr ➤ Due date of Abstract Submission
- 15 May ➤ Abstract Acceptance
- 14 June ➤ Due Date of Full Paper Submission
- 6 July ➤ Full Paper Acceptance
- 13 July ➤ Due Date of Early Bird Registration
- 7 Aug ➤ Due Date of Regular Registration
- 10 Aug ➤ Due Date of Final Registration
- 12-13 Aug ➤ The conference

Speakers

The Speakers of this conference are from The Germany, United States of America, Australia, Taiwan, and Indonesia.

Venue

Grand Sahid Jaya Hotel, Jakarta, Indonesia.

Terms and conditions

The registration fee for Presenter covers seminar materials, lunch, morning and afternoon tea, attendance of workshop, and free to exhibition

The registration fee covers one participant only. Multiple authors who are attending must register separately, and those who are not presenting should register as a non-presenter.

Payments are nonrefundable. Participants are responsible for transfer fees and bank charges.

At least one author for each accepted paper must register. Participants are charged based on their institution/affiliation not the nationality of the first author.

The early bird discount will be expired at July 13, 23:59 am (GMT+7). The regular fee will be applied until 7th August, 23:59 am (GMT+7).
