Conference Committees

Chief Patrons :
Dr. Prashant Bhalla
President, Manav Rachna Educational Institutions

Dr. Amit Bhalla
Vice President, Manav Rachna Educational Institutions

Patron :
Prof. I.K. Bhatt
Vice Chancellor, Manav Rachna University

Executive Chairs :
Prof. Sangeeta Banga,
Dean Academics, Manav Rachna University

Prof. Pradeep K. Varshney,
Dean Research, Manav Rachna University

Prof. Shruti Vashisht
Dean Students Welfare, Manav Rachna University

General Chairs :
Prof. Anjana Gosain
University School of Information Communication Technology,
Guru Gobind Singh Indraprastha University, New Delhi, India

Prof. Rajkumar Buyya
The University of Melbourne, Australia

Prof. Joan Lu
School of Computing and Engineering, University of Huddersfield,
London, UK

Organizing Chair :
Prof. Hanu Bhardwaj,
Head, Department of Computer Science & Technology,
Manav Rachna University

Dr. Jyoti Pruthi
Associate Head, Department of Computer Science & Technology,
Manav Rachna University

Secretary :
Prof. Susmita Ray
Professor, Department of Computer Science & Technology,
Manav Rachna University

Dr. Rajeev Arya
Assistant Professor, NIT, Patna

Convener :
Dr. Hardeo Kumar Thakur,
Associate Professor, Department of Computer Science & Technology

Dr. Manpreet Kaur,
Associate Professor, Department of Computer Science & Technology

Dr. Parneeta Dhaliwal,
Associate Professor, Department of Computer Science & Technology

Advisory Committee :
Dr. Gurpreet Singh Lehal
Head, AI and Data Science Research Centre, Punjabi University,
Punjab, India

Dr. Nathaniel G Martin
Emiretus Faculty, University of Rochester, New York, USA

Prof.(Dr.) S. S. Aggarwal
Emiretus Scientist CEEI/CSIR, Advisor CDAC-Noida, Director General
KIIT, Group of Colleges, India

Dr. Dvin Somayajulu
National Institute of Technology, Warangal, Telangana, INDIA

Prof. S.C. Sharma, IT Roorkie, India

Dr. Upasana Singh, University of Natal, South Africa

About Deptt. of Computer Science & Tech.

The aim of the CST department is to provide high-quality education along with training the students with all the new advancements in the field of computers. The department offers B.Tech Computer Science & Engineering, B.Tech CST with specialization in Artificial Intelligence & Machine learning, Cloud, DevOps & Automation, in association with Xebia. Also B.Tech Computer Science & Engineering, B.Tech CST with specialization in Cyber Security & Threat Intelligence is offered in association with Quick Heal. To bridge the gap between industry & academia, the department has a strong connection with industries like Xebia, Quick Heal, Infosys, AWS, Microsoft and Google. The department has functional research groups in various thrust areas like Soft Computing & Big Data, Data Mining & Machine Learning, Speech and Pattern Recognition, Software Reliability, and Mobile Ad-hoc Networks with the focus on high-quality research and credible publication. About the Conference

The International Conference on Computational Intelligence in Analytics and Information Systems (CIAIS- 2021) is being organized by the Department of Computer Science and Technology, Manav Rachna University, Faridabad, India. The main focus of the Conference is on the empirical, theoretical and application prospects of introduction of computational intelligence in data science, information retrieval and communication systems. The Conference aims to provide an International platform for young and dynamic researchers and experts from industry and academia, to share their research work in the domain of computational intelligence and its various applications areas. With the same objective in mind, we invite experts across the globe to converge at CIAIS-2021 to discuss the state-of-the-art developments, challenges and unsolved open problems in the field of Computational Intelligence. With the new advents in Science and Technology, Manav Rachna University is making an effort to generate an open platform for international dialogue between researchers and experts across the world to put forward different aspects of Computational Intelligence in Data Science & Artificial Intelligence, IOT, Network Technologies & Cyber Security and Software Process Models.

Conference Theme

Papers are invited under the following tracks (But not limited to):

Track 1: Computational Intelligence in Data Science & Artificial Intelligence

Track 2: Computational Intelligence in Computer Vision and Image Processing

Track 3: Computational Intelligence in Network Technologies & Cyber Security

Track 4: Computational Intelligence in Software Engineering
