**About Manav Rachna University**

Manav Rachna University (MRU) is a leading State Private University (established by Haryana State Legislative Act No 26 of 2014 & under section 2(3) of UGC Act 1998), offering globally relevant education. The University has evolved from Manav Rachna College of Engineering (MRCE), which was established in the year 2004, a NAAC accredited ‘A’ Grade institution ranked 10th among all the private engineering institutes of the country. MRU has been ranked among the top 3 Emerging Engineering Institutes of the country (The Times Engineering Survey 2020). **Conference Theme**

The International Conference on Computational Intelligence in Analytics and Information Systems (CIAIS-2021) is being organized by the Department of Computer Science and Technology, Manav Rachna University, Faridabad, Haryana, India. The main focus of the Conference is on the empirical, theoretical and application prospects of introduction of computational intelligence in data science, information retrieval and communication systems. The Conference aims to provide an international platform for young and dynamic researchers and experts from industry and academia, to share their research work in the domain of computational intelligence and its various applications areas.

With the same objective in mind, we invite experts across the globe to converge at CIAIS-2021 to discuss the state-of-the-art developments, challenges and unsolved open problems in the field of Computational Intelligence and with the new advents in Science and Technology, Manav Rachna University is making an effort to generate an open platform for international dialogue between researchers and experts across the world to put forward different aspects of Computational Intelligence in Data Science & Artificial Intelligence, IOT, Network Technologies & Cyber Security and Software Process Models.

**Conference Committees**

**Co-Chairs:**
- Dr. Hardeo Thakur: 9560794409, Dr. Manpreet Kaur: 9891967032, Dr. Parneeta Dhaliwal: 98714 25044

**Conference Organizers:**
- Vice Chancellor, Manav Rachna University
- Dr. Hardeo Thakur: 9560794409, Dr. Manpreet Kaur: 9891967032, Dr. Parneeta Dhaliwal: 98714 25044

**Organizing Chair:**
- Prof. Joan Lu, University School of Information Communication Technology, Nanjing University of Technology, Nanjing, China

**General Chair:**
- Dr. Upasana Singh, University of Natal, South Africa

**Technical Chair:**
- Prof. Ashish Bhate, Department of Computer Science & Technology, Manav Rachna University

**Secretary:**
- Prof. Scyanda Roy, Professor, Department of Computer Science & Technology, Manav Rachna University

**About Deptt. of Computer Science & Tech.**

The aim of the CST department is to provide high-quality education along with training the students with all the new advancements in the field of computers. The department offers B.Tech Computer Science & Engineering, B.Tech CST with specialization in Artificial Intelligence & Machine learning, Cloud, DevOps & Automation, in association with Xebia, Also B.Tech Computer Science & Engineering, B.Tech CST with specialization in Cyber Threat & Threat Management is offered in association with Quick Heal. To bridge the gap between industry & academia, the department has a strong connection with industries like Xebia, Quick Heal, Infosys, AWS, Microsoft and Google. The department has functional research groups in various thrust areas like Soft Computing & Big Data, Data Mining & Machine Learning, Speech and Pattern Recognition, Software Reliability, and Mobile Ad-hoc Networks with the focus on high-quality research and credible publication. **Important Deadlines**

<table>
<thead>
<tr>
<th>Event</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Paper Submission</td>
<td>30th November 2020</td>
</tr>
<tr>
<td>Paper Acceptance</td>
<td>10th December 2020</td>
</tr>
<tr>
<td>Camera Ready Paper Submission</td>
<td>5th January 2021</td>
</tr>
</tbody>
</table>

**Conference Theme**

Papers are invited under the following tracks (But not limited to):

1. **Track 1:** Computational Intelligence in Data Science & Artificial Intelligence
2. **Track 2:** Computational Intelligence in Computer Vision and Image Processing
3. **Track 3:** Computational Intelligence in Network Technologies & Cyber Security
4. **Track 4:** Computational Intelligence in Software Engineering

**Call for Papers**

The proceedings of the conference will be published in CRC Press (Taylor & Francis Group) and will be submitted for inclusion to the leading indexing services including Scopus, Web of Science, DBLP, Google Scholar and many more.

Authors are invited to submit original research contributions not concurrently submitted anywhere. The maximum length of paper should be 10 pages, formatted in CRC Press single column format (MS Word). The detailed submission guidelines can be found at: [https://ciais2021.com/sub_guide.php](https://ciais2021.com/sub_guide.php). Full papers will be accepted through Easy Chair Electronic Submission System: [https://easychair.org/conferences/?conf=ciais2021](https://easychair.org/conferences/?conf=ciais2021)

**Paper Publications**

Extended version of a few selected papers will be sent to Scopus/WoS / SCI/SCIE indexed journals.

**Registration Details**

**Conference Venue:**
- Manav Rachna University, Sector-43, Aravalli Hills, Manav Rachna Campus Rd, Faridabad, Haryana 121004

**Contact:**
- Phone: 0129-426 8500

**For any queries, please Email at:**
- ciais2021@mrue.ac.in or contact:
  - Dr. Hardeo Thakur: 9560794409, Dr. Manpreet Kaur: 9891967032, Dr. Parneeta Dhaliwal: 98714 25044

**Venuer:**
- Manav Rachna University, Sector-43, Aravalli Hills, Manav Rachna Campus Rd, Faridabad, Haryana 121004
