

X International Congress of Engineering Physics

from September 7 to 11, 2020, Mexico City

We invite you to be part of this event sending your contributions in these topics:

- Renewable and Non-Renewable Energy
- Science, technology and gender
- Physics of Earth Sciences
- History of Physics
- Clean energies
- Education
- Acoustics
- Instrumentation
- Optical Engineering
- Physics of climate change
- Physics Applied to Medicine
- Science and Technology of Materials
- & Related Topics

Accepted papers will be published in the Journal of Physics: ION Conference Series..
