

# 2<sup>nd</sup> International Conference on Chemistry, Industry and Environment

18<sup>th</sup> & 19<sup>th</sup> February 2019

## INVITATION

Department of Applied Chemistry, Zakir Husain College of Engineering & Technology, Aligarh Muslim University, Aligarh is organizing the 2<sup>nd</sup> International Conference on Chemistry, Industry and Environment during 18<sup>th</sup> & 19<sup>th</sup> February 2019.

The objective of the conference is to bring the academicians, scientists and Industry experts to a single platform to share their experience in the diverse areas of core and interdisciplinary aspects of chemistry, environment and industry. This platform is also laid for the young researchers to participate and have healthy deliberations on the current research and trends in the chemistry, industry and environment throughout the world.

On behalf of the organizing committee and Aligarh Muslim University, I would like to extend my heartiest invitation to all the aspirants to register in this gala event and make it a grand success.

## ALIGARH MUSLIM UNIVERSITY

Aligarh Muslim University (AMU) is situated at a distance of 130 km south east of Delhi on the Delhi-Kolkata railway line and National Highway 2. It occupies a unique position amongst universities and institutions of higher learning in the country. It was established in 1920 and evolved out of the Mohammedan Anglo-Oriental College (MAO College) which was set up in 1877 by the great visionary and social reformer Sir Syed Ahmad Khan. From its very inception, it has kept its door open to the members of all communities and from all corners of the country and the world. The Aligarh Muslim University is the realization of the broad, far-reaching and realistic goals of the visionaries of the Aligarh Movement.

AMU is spread over 467.6 hectares in the city of Aligarh and offers more than 300 courses in the traditional and modern branches of education. It draws students from all states in India and from different countries, especially Africa, West-Asia and South-East Asia. In some courses, seats are reserved for students from SAARC and Common-Wealth Countries. The university is open to all irrespective of caste, creed, religion or gender.
