ABOUT AHILYANAGARI INDORE

Indore popularly known as Ahilya Nagri is the largest city of Madhya Pradesh, India. Indore is the only city of India with both Indian Institute of Technology (IIT) and Indian Institute of Management, Indore (IIM). Indore is fairly well connected to different parts of Madhya Pradesh as well as India. Some places of historical and religious importance are Ujjain, Omkareshwar, Mandu etc.

ABOUT THE INSTITUTE

PIEMR was established in the year 2008 under the patronage of Padma Shri Awardee Dr. Nemnath Ji Jain, Chairman and Founder of Prestige Education Foundation (Formerly Prestige Education Society).

The PIEMR is conceived with a vision to produce competent and qualifying engineers and techno managers with sound theoretical knowledge, practical skills, leadership qualities and aptitude for entrepreneurship. The institute has set a mission of creating ethical, moral and responsible professionals those can be proudly and capably play their role of Global Citizen. PIEMR, Indore is a promising institute for its quality education with blend of academic excel and industry exposure. It is approved by All India Council for Technical Education (AICTE), Department of Technical Education (DTE), Government of MP, Bhopal and along with affiliation from Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal.

PIEMR is an active member of IIC and also accredited by National Board of Accreditation (NBA) for its B.Tech. Computer Science and Engineering course and Electronics and Communication Engineering course.

ABOUT THE CONFERENCE

The main objective of this conference is to promote high standards in technical education by way of extending opportunities to the academicians and working professionals by providing a forum for sharing their knowledge, experiences, innovations and inventions

BENEFITS TO FACULTY

Faculty members will get a forum for sharing their knowledge, experiences, innovations and inventions from across the globe and will get ideas to create roadmap for upcoming projects and possibilities for opening new avenues for research

BENEFITS TO STUDENTS

PG Students and Research Scholars will get opportunities to publish their innovations and inventions in high impact journal and UG students will get opportunities to gain knowledge from the experience of learned academicians, scientists and innovators and apply novel ideas for impact on student projects

EXPECTED OUTCOMES

- New research areas or improvements in ongoing research
- Ideas to create road map for upcoming projects and possibilities for opening new avenues for research.
- Collaboration between institutions and industry
- Learning of best practices

CALL FOR PAPERS

Prospective Authors from academia as well as Industries are invited to submit their full length papers in ICCST-2021 which have not been yet submitted/ published and that illustrate research and surveying works and industrial application in all disciplines of Engineering, Management, Humanities and Sciences.
