INVITATION

We are pleased to inform you that the LIV International Scientific Conference on Information, Communication and Energy Systems and Technologies (ICEST 2019) will be held June 27-29, 2019, in the beautiful coastal town of Ohrid, Macedonia. Scholars from various engineering fields are appreciated to submit their newly aroused ideas and recently obtained results. Ohrid, also known as "The Balkan Jerusalem" is a perfect place for sharing knowledge and active recreation. The ICEST conference has its long tradition into gathering university lecturers, institute and industry researchers, and students from around the world for more than 50 years. Annually organized by the Faculty of Technical Sciences at St. Kliment Ohridski University, Bitola, Macedonia and the Faculty of Telecommunications at Technical University of Sofia, Bulgaria, the Faculty of Electronic Engineering at the University of Niš, Serbia, and it continues to support the development of steady connections within the scientific community. We welcome you to ICEST 2019.

PAPER PREPARATION

Original, previously unpublished papers with scientific and technical contributions are expected. The maximal length of regular paper is 4 pages, and for invited paper – 10 pages. The use of even number of pages (2 or 4 for regular and 8 or 10 for invited paper) is recommended. Authors are invited to select a conference topic for each of their submission. Camera-ready papers must be prepared in English language.

Electronic version of every camera-ready paper is required according to detailed instructions for preparing and sending the manuscripts available at **http://www.icestconf.org/** .

Papers will be reviewed and authors will be informed of the decision of the ICEST Technical Programme Committee. All communication will be done with the designated corresponding author.

Oral and poster sessions are intended for papers presentation. Authors are asked to suggest the form of presenting while the Organizing Committee will make the final decision. Papers will be presented in English language.
