

ICFDC-2020

INTERNATIONAL CONFERENCE ON FOOD, DRUG AND COSMETICS

5th-6th August | Kuala Lumpur,
2020 | Malaysia

Innovations and Challenges in Nutraceutical, Pharmaceutical and Cosmeceutical Sciences

International conference on Food, Drug and Cosmetics (ICFDC-2020) is a world-wide podium that combines different spheres, stimulate the exchange of ideas and enable participants to grasp the latest developments and ideas in different areas of food technology, drug development and cosmetology.

It will serve as a great opportunity to improve knowledge and skills in the relevant field through various research experience and presentations.

It also helps to gain a view about career development and future endeavors.

This conference is intended for exchange of knowledge and ideas in the application of nutraceuticals, biopharmaceuticals, cosmetology and functional food towards improving quality of life of an individual. It is organized by Lincoln University College (LUC), Malaysia.

The University is a SETARA 5star rated institution awarded by the Ministry of Higher Education, Malaysia (MOHE)

LUC is an ISO 9001:2015 certified institution and has a ranking of 301+ in Times Higher Education World Impact Ranking.
