

International Conference on Industrial Automation & Robotics 2021

DIT University, Dehradun

Proceeding publication with

Taylor & Francis
Taylor & Francis Group

**Keynote
Speakers**

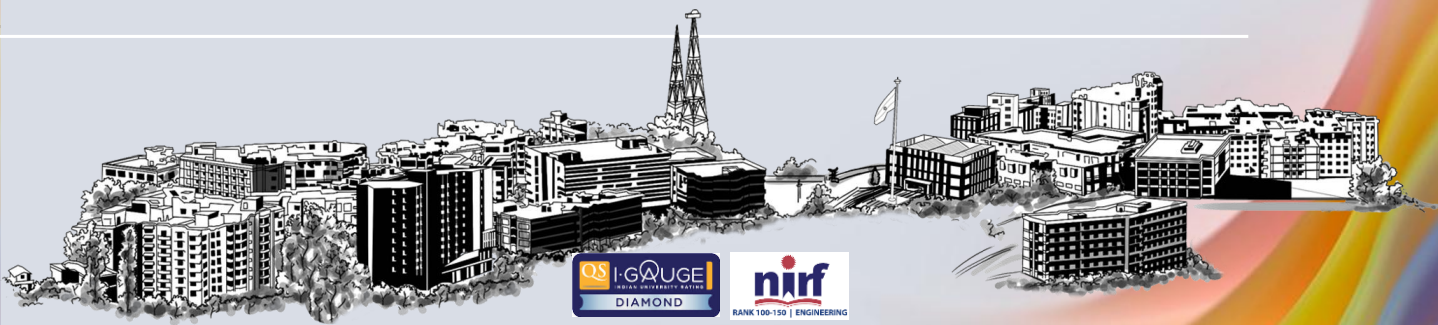

Concordia University
University of Northern Iowa
University of Plymouth

IIT Kanpur
University Union Nikola Tesla
Politecnico di Milano

**Join us on
Friday & Saturday, December 10-11**

The aim of the International Conference on Industrial Automation and Robotics (ICIAR-2021) at DIT University, Dehradun is to provide a platform to exchange and share latest research innovations, investigations, results, ideas, developments and applications in the areas of Robotics, Automation, AI and relevant areas.

International Conference on Industrial Automation & Robotics 2021

DIT University, Dehradun

Important Dates

Last Date of Submission of Full Paper : September 01 2021

Notification of Acceptance of Full Paper : September 25 2021

Camera Ready Manuscript & Registration: September 30 , 2021

Conference Theme

Robotics Kinematics and Dynamics
Human-Machine Interfaces
Collective and Social Robots
Cognitive Approach for Robotics
Mobile Robotics
Mechatronics Systems
Virtual Environment, Virtual and
Augmented Reality Modelling &
Simulation

Industrial Automation and Robotics
Intelligent Design and Manufacturing Smart
Materials and Applications
Additive Manufacturing
Block chain technology for Industry 4.0
Logistics and SCM in Industry 4.0
Modelling, Analysis and Control of Systems
Engineering Applications

Submission Link by EasyChair
