

2nd International Conference on Innovation in Religious Education and Buddhism 2018

November, 10-12, 2018

Venue:

**Smaratungga Buddhist College
Jalan Semarang-Solo KM 35, Ampel, Boyolali Regency,
Central Java-Indonesia 57352**

The 2ND ICIREB 2018: Building Harmony through Modern Religious Education and Buddhism is representative forum of Religious Education and Buddhist Studies. The conference is dedicated to the means and methods for world harmony in contemporary conflicts from Religious Education and Buddhist Studies point of view. In Indonesia, religious education is a subject in formal education, together with other liberal curricula. Moreover, the conference also intends to create a forum for lecturer, researcher, scholar and other participants to discuss current challenges of modern conflicts from formal religious education point of view (Islam, Christianity, Hindus, Buddhist and Other Believer) and Buddhist Studies.

Topic of interest for submission include, but not limited to:

1. Harmony in modern life
2. Religious Education and its development
3. Buddhism: propaganda and education
4. Buddhist Text and Literation

Publications:

All accepted and presented papers will be forwarding for consideration of journal publication. Selected papers will be submitted for publication on Scopus Indexed Proceedings.
