

3rd International Conference on Innovative Trends In Information Technology ICITIIT 2022

12-13 February 2022 (Virtual)

<http://icitiit22.iitkottayam.ac.in/>

Indian Institute of Information Technology Kottayam, India

Contact us : icitiit22@iitkottayam.ac.in

Keynote Address

Technical Sessions

**Best Paper
Awards**

Invited Talks

Multiple Tracks

Conference Theme

"Digital Technologies for Smart Society"

ICITIIT-22 provides an International forum for exchange of information on various trends in software and hardware designs of intelligent and smart computing systems. This conference aims to implement the vision of "Digital Technologies for Smart Society" by highlighting various innovations in this theme. ICITIIT-22 is technically co-sponsored by IEEE Kerala Section.

Call for Contributions in the areas but not limited to:

Cognitive Computing and Deep Learning
Artificial Intelligence and Data Science
Big Data Processing
Smart Systems for Automotive Application
Robotics and Automation
Edge/ Fog Computing
Blockchain Technology
Internet of Things (IoT)
Cyber Physical Systems
Security and Privacy
Quantum Computing
Vehicular Networks and Intelligent Transportation
Connected Unmanned Aerial/Underwater Systems
Wireless Broadband Networks
5G and Multi Gigabit Communications
Audio, Image/Video Processing
Reconfigurable Computing and Embedded Systems
Hardware/Software Co-design
High Performance and Scalable Computing
Analog/RF/ Mixed signal Circuits and Systems
Neuromorphic Engineering
Device modelling and Emerging Devices/Technologies
Healthcare Systems
Intelligent System-On-Chip Design for various applications

**Full Paper Submission
Deadline (*Extended*)**

25 NOV 2021

**Notification of Acceptance
30 DEC 2021**

**Submission of Camera -
ready Paper
10 Jan 2022**

Submit your paper as a single pdf (4 to 6 pages in IEEE format) through [EasyChair](#). All accepted and presented papers will be considered for possible publication in IEEE Xplore.
