

1st International Conference on Materials, Manufacturing and Energy (ICMME – 2021) December 17-18, 2021

Keynote Speakers

Prof. Brian Norton

DIT President Dublin Energy Lab,
Ireland

Prof. Vijay Kumar Jain

IIT Kanpur, India

Prof. Raghu Echempati

Kettering University, USA

Prof. Prashant K. Jamwal

Nazarbayev University (NU), Kazakhstan

Prof. Ravi K. Dwivedi

MANIT Bhopal, India

Prof. Om Prakash

NIT Patna, India

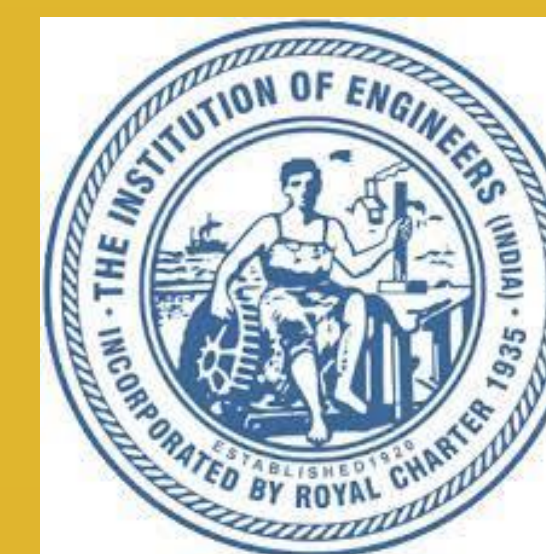

Theme of the Conference

The spotlight of the conference is to open a new paradigm to deliberate on eco-friendly and robust design, use of materials with less environmental impact, use of fewer materials, optimal utilization of resources during manufacturing processes with zero defects. Also Green & Sustainable Energy.

Best Paper will be awarded in Each Theme

Submission Deadline: 15 November 2021

Our Associates:

Publication Partners

Name of Journals

- International Journal of Vehicle Structures & Systems "IJVSS", ISSN No. 0975-3060 (Print), 0975-3540 (Online) {An UGC Approved Journal, indexed by Elsevier Scopus and published by the MAFTREE}.
- International Journal of Engineering Research in Mechanical and Civil Engineering, ISSN: 2456-1290, indexed by Google Scholar.
- A Few good quality papers will be published in the SCOPUS indexed journals after peer review process.

Conference Website: <https://icmme.in/>

Organized by: Department of Mechanical Engineering, Rajkiya Engineering College Mainpuri, U.P., India
