ICOCN'2019

The 18th International Conference on Optical Communications & Networks

Aug. 5-8, 2019 Huangshan, China （中国·黄山）

CALL FOR PAPERS

International Conference on Optical Communications and Networks (ICOCN) serves as one of the largest international forums for researchers involved in all aspects of optical communications and networks. It has been held annually tracing from 2002. The 18th ICOCN (**ICOCN'2019**) will be held in **Huangshan**, one of the most famous & historic mountains in China, during **Aug.5-8**, **2019**. It is sponsored by IEEE Photonics Society and all accepted full papers will be submitted for inclusion into *IEEE Xplore* and indexed by *EI Compendex*. You are cordially invited to participate in this event by submitting **an abstract or a full manuscript.**

Awards

Young Scientist Awards: 5 recipients, each will be given a certificate & a **XIAOMI ultrabook**
Best Student Paper Awards: 10 recipients, each will be given a certificate & a **HUAWEI Pad**
Best Poster Awards: 15 recipients, each will be given a certificate & a **HUAWEI cellphone**

Tracks

Track 1: Optical fibers and fiber-based devices
Track 2: Optical Transmission Systems, Subsystems and Technologies
Track 3: Networks Architectures, Management and Applications
Track 4: Optoelectronic integration & devices
Track 5: Optical signal processing & microwave photonics
Track 6: Optical measurements and imaging
Track 7: Ultrafast photonics and nonlinear optics
Track 8: Photonics for energy
Track 9: Space communications, navigation & tracking
Track 10: Quantum photonics and applications

Important Dates

Submission Deadline (abstract or full manuscript): May 20, 2019
Acceptance Notification: June 6, 2019
Early-bird Registration Deadline: June 30, 2019
