

CALL FOR PAPERS

International Conference

on

**Innovations in Energy Management and
Renewable Resources**

5th, 6th & 7th February, 2021

Organised by

Institute of Engineering & Management, Kolkata

**To be
conducted
in
virtual platform**

**Accepted and presented papers will be published in IEMRE 2021
proceedings and will be submitted for inclusion to IEEE Xplore**

Keynote Speakers

Fausto Pedro García Márquez

Full Professor at Castilla-La Mancha University, Spain
Lecturer at the Postgraduate European Institute
Honorary Senior Research Fellow at Birmingham
University, UK

Prof. (Dr.) Biswajit Ghosh

Vice Chancellor of The Neotia University, Kolkata
Former Director School of Energy Studies, Jadavpur
University, Kolkata

Prof. (Dr.) Debapriya Das

Professor, Electrical Engineering
Indian Institute of Technology, Kharagpur

Prof. (Dr.) Christopher Nizrecki

Professor and Chair, Department of Mechanical Engineering
Director, WindSTAR IUJRC and Center for Wind Energy
Co-Director, Structural Dynamics & Acoustic Systems Laboratory
University of Massachusetts Lowell

Prof. (Dr.) Frede Blaabjerg

Villum Investigator, Professor
Aalborg University
Denmark

Prof. (Dr.) Arnab Sarkar

Department of Mechanical Engineering
Indian Institute of Technology (BHU)
Varanasi

Prof. (Dr.) Yanxia Sun

Professor, Department of Electrical and
Electronic Engineering Science
University of Johannesburg
