

Get ready for

## LAPAN - Kyoto University International Symposium on Equatorial Atmosphere in conjunction with Equatorial Atmosphere Radar (EAR) 20th Anniversary

Joint program of International Conference on Radioscience, Equatorial Atmospheric Science and Environment (INCREASE) and The 6<sup>th</sup> Asia Research Node (ARN) Symposium on Humanosphere Science

### Scope : "Humanosphere Science" including

atmospheric science, environmental science, space science, material science, plant science, entomology, microbiology, ecology, forestry, wood science, chemistry, biochemistry, molecular biology, architecture, electromagnetic engineering, agriculture, ocean science, etc.

**INCREASE**  
International Conference on Radioscience,  
Equatorial Atmospheric Science and Environment

### Keynote speakers

1. Prof. Shigeo Yoden (Kyoto Univ, Japan)
2. Prof. J.Y. Liu (NCU, Taiwan)
3. Dr. Didi Satiadi (LAPAN, Indonesia)  
\*) to be confirmed

### Invited speakers

1. Prof. Hiroyuki Hashiguchi (Kyoto Univ, Japan)
2. Dr. Wahyudi Hasbi (LAPAN, Indonesia)
3. Dr. Marzuki (Andalas Univ, Indonesia)
4. Dr. Yasunobu Miyoshi (Kyushu Univ, Japan)
5. Prof. Manabu D. Yamanaka (Kobe Univ, Japan)
6. Prof. Ninong Komala (LAPAN, Indonesia)
7. Prof. Masatomo Fujiwara (Hokkaido Univ, Japan)
8. Dr. Acep Purqon (ITB and ITERA, Indonesia)
9. Prof. Toshiaki Umezawa (Kyoto Univ, Japan)
10. Prof. Sulaeman Yusuf (LIPI, Indonesia)

### Important dates

- 1 May - 15 July 2021 : Abstract Submission  
20 September 2021 : Full Paper Submission  
20 - 21 September 2021 : International Symposium

Selected papers will be published in  
**Springer Proceedings in Physics**  
(Free of Charge)

Hybrid Meeting online and onsite in  
Padang, West Sumatra, Indonesia
