ABOUT THE INSTITUTIONS

ANURAG GROUP OF INSTITUTIONS (AGI) (formerly CVSR College of Engineering) was established in 2002. The college has 7 B.Tech programmes and 11 M. Tech programmes, MBA and Pharmacy courses. UGC has conferred academic autonomy with effect from 2012-13. AGI is a TCS Accredited Institution. The total strength of the college is around 6000 and is affiliated to JNTUH. As envisioned by the trust, the institution aims to promote quality technical education and build up a new generation of thinkers, innovators and planners in the realm of science, technology and management. Within short span of its establishment, AGI has emerged as a pioneer institute in engineering education. Anurag Group of Institutions has received "Concrete Award from Ultra Tech Cement Pvt Ltd." in September 2018. Bagged 74th rank in (Top 100 Pvt Engg Colleges Category) Times of India Rankings-2018. It is the only Institution where all programs are accredited by NBA. AGI students are well placed in MNC's and core companies like TCS, IBM, TECH MAHINDRA, CYIENT, TATA PROJECTS, Dr. REDDY'S LABORATORIES LIMITED, AUROBINDO PHARMA LIMITED etc, while some students are pursuing higher studies in USA, UK, GERMANY, AUSTRALIA etc.

ABOUT DEPARTMENT OF MECHANICAL ENGINEERING

The department is established in the year of 2004. It has grown significantly by spreading academic activities in offering Programs at Under Graduate level to 240 students and M.Tech in Machine Design. It has motivated well qualified faculty including 5 professors providing good academic insights. Excellent lab facilities including CAD/CAM Lab with CNC Machines to provide knowledge on practical applications through various experiments. Extensive training is given to all students in SOLID WORKS in addition to the regular curriculum. The Department has been accredited by NBA New Delhi under Tier-I in the college which is the first institution to be accredited under Tier-I in Telangana state.
