

**TEQIP-III International Online Conference on  
Smart Grid Energy Systems and Control (SGESC-2021)  
(March19-21, 2021)**

Date: 28.10.2020

Dear Sir/Madam,

**Subject: Call of paper for TEQIP-III International Online Conferences on Smart Grid Energy Systems and Control (SGESC-2021) (March19-21, 2021)**

We are happy to inform you that the **Department of Electrical Engineering, NIT Kurukshetra** is organizing a **TEQIP-III International Online Conference on Smart Grid Energy Systems and Control (SGESC-2021)** to be held during **March19-21, 2021**. The International Conference SGESC-2021 will provide an international forum for sharing knowledge on Smart Grid Energy Systems and Control.

**Call for Papers**

High quality research contributions describing original and unpublished results of conceptual, Constructive, empirical, experimental, or theoretical work in the areas of Electrical Engineering are cordially invited for presentation at the conference. The Conference looks for significant contributions to all major fields of Modern Power and Smart Energy Systems, Renewable Energy Systems and Distributed Generation, Power Electronics, Electrical Machines & System Integrations, Wide area measurements and Control and High Voltage Generation, Measurements and its applications. Visit the website <http://sgesc.org/> for more details about the Conference.

**Conference Proceedings**

Proceedings of SGESC-2021 will be published by **Springer** (Communicated for approval) as Book Chapter in **Lecture Notes in Electrical Engineering**, which will be submitted to SCOPUS for possible inclusion for indexing.

**Submission Link:** Only full papers (equal to 4 to 10 pages) will be considered for publication. For templates and for author guidelines, click [here](http://sgesc.org/). Submit your original research paper using Easy chair link: <https://easychair.org/conferences/?conf=sgesc2021>
