# Islamic Economy and Finance in the Age of Digital Transformations

Ez-Zitouna University, Tunisia, launches a call for papers on Islamic Economy and Finance in the Age of Digital Transformations in the framework of the 6th Sfax International Forum on Islamic Finance (SIFIF'2020) to be held in Sfax, Tunisia on April 8<sup>th</sup> and 9<sup>th</sup>, 2020. This forum is organized in collaboration with the Islamic Development Bank (IsDB), Islamic Research and Training Institute (IRTI), the International Islamic University of Malaysia (IIUM), International Shariah Research Academy (ISRA) and European Academy for Islamic Finance and Economics (EAIFE). This forum aims at urging Shari'ah scholars, economists, academics, researchers, and Islamic finance professionals to take part in this event, and share their new and innovative ideas in the field of Blockchain, Fintech and Islamic Finance.

### Important dates:

Deadline for sending paper abstracts:	January 10th, 2020
Decision of the scientific committee:	January 31st, 2020
Deadline for sending the paper last version:	March 10th, 2020

### Sending research proposals:

Proposals for abstracts and papers should be sent to the following email address:

<https://easychair.org/conferences/?conf=sifif2020>

The proposals should consist of a title, a summary of no more than 500 words, a short presentation of the author(s) (name, affiliation, and e-mail address) and an indicative bibliography.

### Publication Opportunities

- Papers accepted by the forum scientific committee will be published in a collective work.
- A number of articles may be submitted on the proposal of the forum scientific committee for possible publication in journals indexed after validation of the reading committee of the journal in question.
- Articles in Arabic and English will be published in the ISRA International Journal of Islamic Finance journal.
- French language articles will be published in IRTI's journal Study in Islamic Economics.

### Focus Areas

- Islamic Economy and Digital World
- Digitization and Islamic finance (banks, insurance, public finance, Zakah and Waqf)
- Blockchain, Fintech, and Islamic finance
- Blockchain, smart contracts and Islamic finance
- Blockchain for Zakah and Waqf management
- Fintech and Islamic crowdfunding
- Cryptocurrency (Bitcoin) between Shariah vision and economic impacts
- Islamic Fintech between Shariah rules and regulations, and economic efficiency

### Certification of participation:

Any participant in the Forum having submitted a paper will receive a certificate of participation with his name, title of paper, and signature and stamp of the Forum.
