

# Call for Papers from the Eighth International Conference on Transportation and Logistics

*Logistics Connectivity in East Asia: Practices & Challenges*

*September 6-8, 2020, Surabaya, Indonesia*

## Host Organizing Committee Members:

Professor Qiang MENG, National University of Singapore, Singapore

Assoc. Professor Ryuichi SHIBASAKI, the University of Tokyo, Japan

Assoc. Professor Mingyao QI, Tsinghua University, Shenzhen, China

Assoc. Professor Ahmad RUSDIANSYAH, Institut Teknologi Sepuluh

Nopember, Indonesia

Assist. Professor Siti NURMINARSIH, Universitas Internasional Semen Indonesia,

Indonesia

## Call for Papers

This Call for Papers invites submissions for The Eighth International Conference on Transportation and Logistics (hereafter, T-LOG) on the “Logistics Connectivity in East Asia: Practices & Challenges.”

Under this theme, we will explore various theories and methods related to creation and innovation in infrastructures design, multi-modal transportation synchronization, transportation technology, information technology and management concerning Logistics Connectivity in East Asia. We also discuss approach to collect, process, manage and use any information efficiently and effectively, thus the result will be able to improve East Asia Logistics and Transportation competitiveness and value facing the global challenges in transportation and logistics issues.

This conference welcomes submissions on the following topics:

- Aviation Logistics
- City Logistics
- Green Logistics
- Global Logistics and Economics
- Impact of Belt & Road Initiative
- Information Technology for Logistics

- Intermodal Transportation
- International and Cross-border Freight Transportation
- Intelligent Transportation Systems and Urban Mobility
- Logistics System Planning and Design
- Military Logistics
- Rail Transportation
- Regional Coordination & Cooperation in Transportation Logistics
- Reverse Logistics
- Routing and Scheduling for Physical Distribution
- Data Analytics on Logistics
- Shipping Network Analysis
- Supply Chain and Global Value Chain Integration and Coordination
- Terminal Operations and Port Logistics
- Transportation and Trade Facilitation
- Any other topics related to transportation and logistics

### **Paper Award**

In memory of Dr. Yoshio Takeuchi, the first President of OCDI (The Overseas Coastal Area Development Institute of Japan), conference papers will be evaluated and awarded on the basis of their potential application to a practical field of logistics.

### **Journal Publication**

The organizing committee is targeting at the possible journals - *“Transportation Research Part E” for the special issues of the conference. Also, other international journals are under the negotiation.*

### **Submission System**

Abstracts for academic papers must be received no later than 29 February 2020. Submission method can be found at the conference website: <https://tlog2020.uisi.ac.id/>

### **Important Dates (Reviewed paper track)**

- February 29, 2020: Abstract submission deadline
- March 15, 2020: Notification of abstract acceptance

- May 15, 2020: Full paper submission deadline
- July 15, 2020: Notification of acceptance
- July 31, 2020: Author early registration deadline
- August 14, 2020: Final paper submission deadline
- September 6-8, 2020: Conference

### **Important Dates (Presentation track)**

- June 30, 2020: Extended abstract submission deadline
- July 15, 2020: Notification of acceptance
- July 31, 2020: Author early registration deadline
- August 14, 2020: Final extended abstract submission deadline
- September 6-8, 2020: Conference

### **Contact information**
