CALL FOR PAPER

About WIT   IEEE Conference ID: #48374

Women Institute of Technology was established by State Government in September 2012 under UTU as constituent college to provide the technical education only for girls. The idea behind the establishing this institute in the valley of Himalayas is to empower women by providing technical knowledge and hence open the gateway for jobs and make them self-reliant. The college is situated 20kms away from Dehradun railway station and 10kms away from main bus stand on the NH-72. The nearest airport is Jolly Grant domestic airport which is 30kms from the college.

The 2019 IEEE International Conference Women Institute of Technology (WIT) Conference on Electrical and Computer Engineering (WITCON-ECE 2019) will be organized during 22nd-23rd November 2019 at Women Institute of Technology, Dehradun, Uttarkhand, India for bringing together individuals conducting research and professional activities in the area of ECE to share and present their latest innovations and findings. The IEEE WITCON-ECE 2019 is sponsored by TEQIP-III & Co-Sponsored by IEEE Uttar Pradesh Section.

Topics include but are not limited to:
