

ASIASENSE 2020

‘Sensors Sustain Future’

ASIASENSE is a regularly held conference that brings researchers throughout the world to present their latest research findings, ideas and applications in vast fields of sensors. The conference has grown to become one of the key sensor conferences in Asia since 2003.

The previous AsiaSense conferences were held successfully in different Asian countries including Malaysia (2003, 2013), Indonesia (2005, 2015), Philippines (2007, 2018), Thailand (2009) and Korea (2011). AsiaSense is coming back to Malaysia once again with the theme “Sensors Sustain Future”.

► Objectives

- To bring researchers throughout the world to present their latest research findings, ideas and applications in vast fields of sensors.
- To identify the latest innovations in sensors, which highlight the role of sensors in industry 4.0.
- To serve as an international platform for knowledge and expertise exchange between the experts from the industry and the academia.
- To encourage researchers expand professional network and create new opportunities including establishing new collaborations.

► Scope of the conference

AsiaSense 2020 will feature papers and posters in the following areas:

- Chemical Sensors and Biosensors
- Electrochemical Sensors
- Mechanical Sensors
- Optical Sensors
- Physical Sensors
- Sensing Principles and Modeling
- Sensor and actuator systems
- Sensor Applications
- Sensor Materials
- Sensor Networking
- Sensors Data Processing
- Solid State Sensors

30 June - 1 July
2020

Bangi Resort Hotel,
Bangi, Selangor,
Malaysia

► Important Date:

- Deadline for Abstract Submission : **1 Mac 2020**
- Deadline for Full Paper Submission : **30 April 2020**

► Plenary

Prof. Dr. Werasak Surareungchai

Prof. Dr. Damien Arrigan

► Keynote

Prof. Dr.
Bambang Kuswandi

Prof. Dr.
Krishna Persaud

Prof. Emeritus
Fortunato B. Sevilla III

Prof. Dr.
Nor Azah Yusof

Assoc. Prof.
Dr. Ruslinda A. Rahim

► Payment method

- March 31, 2020: Deadline for registration fee payment (for L/O 30 April 2020)
- Registration fee should be made payable to:
 - Beneficiary name : PERSATUAN PEMBANGUNAN TEKNOLOGI SENSOR MALAYSIA
 - Bank name : CIMB ISLAMIC BANK
 - Address : Universiti Kebangsaan Malaysia, Lot 1.04 & 1.05, Level 1, Wisma UNIKEB
 - Account no. : 8602139940
 - SWIFT code : CTBBMYKL
 - Payment reference : Participant's full name
- Please send your proof of payment to sensor.malaysia@gmail.com for record purposes.

► Registration fees

- Local Participant RM800
- SENSOR Members RM600
- Malaysian Postgraduates RM500
- International Participant USD350
