FOGA 2021

16TH ACM/SIGEVO WORKSHOP ON FOUNDATIONS OF GENETIC ALGORITHMS (FOGA XVI)

Call for Papers

16th ACM/SIGEVO Workshop on Foundations of Genetic Algorithms

Premier conference to discuss:

- Theoretical foundations of randomized search heuristics
- Design principles for specific domains
- Benchmarking aspects
- Connections between search heuristics and machine learning

FOGA invites submissions ranging from rigorously derived theoretical results to carefully conducted empirical studies

All submissions are subject to a double blind review. The FOGA proceedings will be published by ACM Press.
