Call For Paper

Join us in the annual **15th International Malaysian Educational Technology Convention**, an event that focuses on gathering the best minds from Education and Technology fields.

You are cordially invited to submit papers* that are related to the convention theme as stated above, and are aligned with any of the sub-themes as stated below:

- Research on technology in education
- Pedagogical strategies
- Game-based design, gamification and serious games
- Emerging technologies in education
- Virtual learning environments (VLE)
- Artificial Intelligence (A.I.) in Education... *and many more!*

Check out our conference website for more details:
