

CALL FOR PAPERS

*The 1st International Conference on
Intelligent Production and Operations
' Intelligent Operations in Uncertain Future
– Unlocking Industrial Potential '*

*June 19-21, 2020
Taipei, Taiwan*

THEME

The theme of IPO 2020 is "Intelligent Operations in Uncertain Future - Unlocking Industrial Potential" emphasizing the important roles of intelligent production and operations in the future- a smart and dynamic world to meet the disruption challenges in a sustainable way. Developing state-of-the-art techniques, tools, and technologies hence become the main purpose of the conference in order to derive insights that bring benefits for industries to deal with the uncertainties.
