

Registration Fee

National Presenters/Students:	Rs. 1000/-
National Participants:	Rs. 2000/-
International Presenter/Students:	\$ 50/-
International Participants:	\$100/-

Fee includes course material, participation kit, lunch and refreshments. Paid accommodation can be provided on request to outside participants in University hostel with subject to availability. PIEAS will not pay any TA/DA.

Important Dates

Registration Opening	July 15, 2018
Abstract Submission	July 15 – August 14, 2018
Abstract Acceptance Notification	August 30, 2018
Last Date for Extended Abstract Submission	September 21, 2018

Email: aubaidullah@pieas.edu.pk

Detailed program of workshop will be available at
<http://iscmre2018.pieas.edu.pk/>

International Invited Speakers

Prof. Dr. Feng Xin

Tianjin University
China

Prof. Dr. Afsin Gungor

Akdeniz University
Turkey

Prof. Dr. Khairuddin Sanaullah

UNIMAS
Malaysia

Prof. Dr. Shaharin A. Sulaiman

Universiti Teknologi Petronas
Malaysia

Prof. Dr. Li Fei

Institute of Process Engineering
Chinese Academy of Sciences

National Invited Speakers

Dr. Muhammad Rafique NESCOM

Dr. Arshad Hussain SCME, NUST

Dr. Saeed Gul UET Peshawar (Main Campus)

Dr. Tanveer Iqbal UET Lahore (KSK Campus)

Dr. Muhammad Zaka Emad UET Lahore (Main Campus)

Dr. Kafayat Ullah PAEC

Dr. Hafiz Muhammad Ali UET Taxila

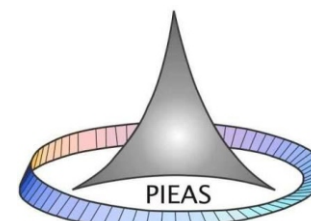

Dr. Muhammad Usman PAEC

Mr. Miraj Khan PAEC

International Symposium on Chemical & Mineral Resource Engineering

October 16 - 18, 2018

Pakistan Institute of
Engineering & Applied Sciences
(PIEAS)

Higher Education Commission,
Pakistan

Organized by:

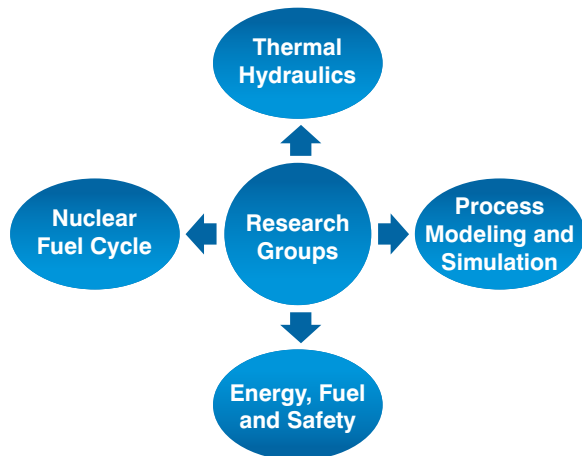

DEPARTMENT OF CHEMICAL ENGINEERING
PIEAS, P.O. Nilore 45650, Islamabad

Institute Profile

Pakistan Institute of Engineering and Applied Sciences (PIEAS), Islamabad is a federal public sector university dedicated to higher education in engineering and applied sciences. PIEAS has around 140 highly qualified fulltime faculty members in the diverse fields of physical sciences, engineering and medicine. Seventy percent of them have PhD degrees from the reputed institutions of USA, Canada, UK, Germany, France, China, Japan, Austria and Australia. PIEAS has been ranked as No. 1 Engineering and Technology University in HEC Rankings of 2006, 2012 and 2013 and QS World Ranking 2018.

Department of Chemical Engineering at PIEAS

Department of Chemical Engineering (DChE) was founded in 2011 after the bifurcation of Department of Chemical & Materials Engineering (DCME). DChE is actively involved in academic as well as industrial research in collaboration with several organizations, both national and international. Diverse research groups at the department range from modeling and simulation to fuels and energy.

Scope of Symposium

The symposium is aimed to provide a forum to researchers, engineers and students from national/international universities and research organizations to interact and exchange knowledge in the field of chemical and mineral resource engineering. The symposium will provide an opportunity to share their ideas, proficiency and expertise.

Major Areas

- Chemical Process Design and Development
- Process Modelling and Simulation
- Energy, Fuel and Safety
- Transport Processes
- Advances in Mineral Explorations
- Advances in Mining Industry
- Multidisciplinary Topics

Who Should Attend?

The topics being covered in this workshop make this relevant to those having background knowledge of chemical engineering and mineral resource engineering and want to update their knowledge.

Registration

Completed registration form along with the bank draft/pay order in favor of "Director (Finance), PIEAS" should be submitted to the workshop coordinator before 15 September 2018. Participants are also advised to register online at PIEAS website.

Confirmation of participation will be based on the qualification, experience and area of expertise. Confirmation of participation will be provided by 05 October 2018 through email only.

International Symposium on Chemical & Mineral Resource Engineering, (ISCMRE' 18)

Registration Form

Name: _____

Designation: _____

Category:

International Participant ☐ International Presenter ☐

National Participant ☐ National Presenter ☐

Institution: _____

Address: _____

Contact: _____

Email: _____

Accommodation Required: Yes / No

(Accommodation will be provided in university hostels)

Registration Payment

☐ Cash ☐ Invoice

☐ Bank Draft / Pay Order

Bank Draft / Pay Order in favor of Director (Finance), PIEAS

Payment Details:

Draft No. _____ Amount _____

Bank: _____

Signature of Applicant

Seal & Signature of Head
