ABOUT THE INSTITUTION

National Education Society (NES) started in the year 1946 by a group of freedom fighters. Now it is running 40 educational institutions.

Jawaharlal Nehru National College of Engineering (JNNCE) was established by NES in 1980 and is one of the premier institutions in the central region of Karnataka and ranks within 10 in Karnataka. The college is catering the needs of the nearby as well as interstate students to pursue their graduation and post graduation in engineering, computer applications and business administration. Currently 7 UG and 9 PG programmes are being run successfully. The institution holds many milestones in research and innovation.

MCA DEPARTMENT

Department of Master of Computer Applications started in the year 1995 and affiliated to Visvesvaraya Technological University, Belgaum, recognized by the All India Council for Technical Education (AICTE). Dept. is fulfilling the needs of many students by providing the post graduate course in computer applications with current intake of 120. Committed and experienced faculty are the strength of our department.
