

SDMMS 20-21

The 5th Symposium on Damage Mechanism in Materials and Structures

AC Hotel Penang, Malaysia
8 – 9 March 2021

Keynote Speakers

This symposium covers in the field of research and industrial applications, i.e. **MECHANICAL ENGINEERING** and **CIVIL ENGINEERING**.

Topics of interest for submission include:

- Fatigue Damage
- Fatigue Crack Initiation & Propagation
- Life Prediction Techniques
- Computational Fracture Mechanics
- Dynamic Fracture
- Damage Mechanics & Assessment
- Non Destructive Test (NDT)
- Concrete Failure Assessment
- Failure on soil structures
- Structural Durability & Reliability
- Structural Health Monitoring
- Construction Damage Recovery
- Any Relevant Topics Related to Failure Analysis

FINAL Call for Papers!!!

PROF. IR. DR. AHMAD KAMAL ARIFFIN MOHD IHSAN
Universiti Kebangsaan Malaysia, Malaysia

IR. HAMBALI CHIK
Petroliam Nasional Berhad (PETRONAS)

ASSOC. PROF. DR. WONSIRI PUNURAI
Mahidol University, Thailand

DATO' IR. DR. GOH TEIK CHEONG
M.E.I. Project Engineers Sdn Bhd

DR. MUSA BASHIR
Liverpool John Moores University, England

BEM CPD Hour: To be Confirmed

REGISTRATION FEE

Category	Local	International
Presenters & Publication*	RM500 + Publication Fee*	USD170 + Publication Fee*
Non-presenting participant	RM400	USD120

Note: Invoice for presenting at the symposium will be given upon the acceptance of extended abstract.

*Invoice for the Publication Fee in the respective journals will be given upon the acceptance from the publisher.

IMPORTANT DATES

Extended Abstract and Full Paper Deadline:
31 August 2020

Registration and payment for Authors:
30 November 2020

Registration and payment for Non-presenting Participants :
31 January 2021

All authors are invited to submit their TWO PAGES EXTENDED ABSTRACT through EasyChair by downloading the template from <https://www.sdmms2021.com/>. All accepted extended abstracts will be publishing in the SDMMS 20-21 proceeding with an ISBN number. High quality papers to be considered in respective indexed journals (SCOPUS/ESCI) and Springer Book Series (SCOPUS), subjected to thorough reviewing and acceptance by the publisher.

Organised by:

Cawangan Pulau Pinang
Kampus Permatang Pauh
