

The 4th South-East Europe Design Automation, Computer Engineering, Computer Networks and Social Media Conference

# SEEDA-CECNSM 2019

SEPTEMBER 20-22 2019 - PIRAEUS GREECE

seeda2019.unipi.gr

**SEEDA-CECNSM 2019**, in its 4th year, will provide an insight into the unique world stemming from the interaction between the fields of computer engineering, networks and design automation (DA).

SEEDA-CECNSM 2019 will provide an international technical forum for experts from the engineering industry and academia to exchange ideas, innovations, and to present results of on-going research in the most state-of-the-art areas.

This year, special focus will be on the challenging issues related to all the opportunities of computer engineering, networks and design automation in the era of the integration of **Internet of Things**, **Cloud Computing** and **Cyber-Physical Systems**.

You are invited to submit a full paper related to the topics of interest of the conference. A detailed list can be found at the conference website.

## IMPORTANT DATES

**Paper Submission Deadline: April 24, 2019**

**Notification of paper acceptance: May 21, 2019**

**Camera-Ready Papers Due: June 20, 2019**

**Conference: September 20-22, 2019**

Review manuscripts should describe original work and should be no more than **8 pages** in the **IEEE double column proceedings format** including tables, figures and references. Note that accepted papers up to 6 pages will be published with **no additional charge**. Exceeding pages will be charged **an additional fee**. Only **registered and presented** papers will be published in the conference proceedings.

All papers for SEEDA-CECNSM 2019 should be submitted via EasyChair using:

<https://easychair.org/conferences/?conf=seedacecns2019>

Accepted papers will be included in the **SEEDA-CECNSM 2019 Proceedings** and will be submitted for inclusion to **IEEE Xplore**. The SEEDA-CECNSM Proceedings have been indexed by **dblp** and **Scopus**. This makes the SEEDA-CECNSM conference one of the publication venues with a very high visibility and impact in both the Computer and Communications areas.
