

The 1st International Conference on Metaverse and Artificial Companions in Education and Society

MetaACES

The 1st International Conference on Metaverse and Artificial Companions in Education and Society (MetaACES 2023), organized by The Education University of Hong Kong, will be held on 14 - 16 June 2023 in a hybrid mode. MetaACES 2023 aims to provide an interactive platform for academics, researchers, practitioners, and professionals in the education sector to share and exchange research agenda, innovative ideas as well as practices of promoting and exploring metaverse, artificial companions, and related technologies. For more details, please refer to our website.
