

CALL FOR PAPERS

The 4th International Conference on Recent Advances in Computing, Artificial Intelligence, and Data Science (CAIDS-2026) will be held on December 24–25, 2026, at Riphah International University, Islamabad, in hybrid mode.

CAIDS-2026 provides a platform for researchers and professionals to share recent advancements in Computing, Artificial Intelligence, and Data Science. The conference is jointly organized by the University of Lakki Marwat, Pakistan; Riphah International University, Islamabad, Pakistan; Gomal University, D.I. Khan, Pakistan; Khushal Khan Khattak University, Karak, Pakistan; Kalam Bibi International Women Institute, Bannu, Pakistan; and Multimedia University, Cyberjaya, Selangor, Malaysia.

Building on the success of CAIDS-2023, CAIDS-2024, and CAIDS-2025, the conference aims to promote research collaboration, knowledge exchange, and stronger links among academia, industry, and government.

Selected papers will be considered for publication in MMU Press journals, subject to further review.

Conference Date: December 24 – 25, 2026

Topics of Interest

The topics of interest include, but are not limited to, the following:

- ◉ Computing, AI and Data Science Concepts, Infrastructures and Applications
- ◉ Modeling and Simulation Concepts and Applications
- ◉ Mathematical and Statistical Foundations
- ◉ Algorithms and Data Structures
- ◉ Fog, Edge, Cloud, Grid, Cluster and P2P Computing
- ◉ Concurrent, Parallel and Distributed Computing Systems
- ◉ Ubiquitous Computing
- ◉ Computer Networks, Communications, and Security
- ◉ Computer Architectures: CPU- and GPU-Based Systems
- ◉ Computer Graphics and Medical Imaging
- ◉ Advanced Database Concepts and Optimization
- ◉ Software Engineering Concepts, Tools and Applications
- ◉ Artificial Intelligence
- ◉ Machine Learning Algorithms
- ◉ Neural Networks
- ◉ Cybersecurity
- ◉ Ethics and Bias
- ◉ Climate Change and Environmental Monitoring
- ◉ Robotics
- ◉ Optimization Algorithms
- ◉ Generative AI
- ◉ Games, Augmented Reality, and Virtual Reality
- ◉ Parallel and Distributed Simulation Systems and Virtual Worlds
- ◉ Data Visualization
- ◉ Deep Learning
- ◉ Data, Text and Web Mining
- ◉ Exploratory Data Analysis (EDA)

Important Dates for Submission

Researchers are invited to submit original and unpublished research contributions that have not been previously published and are not currently under review by any other conference or journal. Submissions should focus on cutting-edge research in Computing, Artificial Intelligence, and Data Science. Manuscripts must follow the template provided on the CAIDS-2026 website and should not exceed 20 pages in length.

Paper Submission	November 10, 2026
Acceptance Notification	November 28, 2026
Early-Bird Registration Deadline	December 5, 2026
Camera-Ready Deadline	December 10, 2026

Conference Venue

Riphah International University,
Sector I-14 (Hajj Complex),
