

Call for Papers

ICACS'27

8th International Conference on Advancements in Computational Sciences

2 – 3 February 2027

The 8th International Conference on Advancements in Computational Sciences (ICACS'27) will be held in The University of Lahore, Lahore, Pakistan during February 2nd - 3rd, 2027. The focus of ICACS'27 is to provide an opportunity for all aspiring researchers, academia representatives, students, industrialists, scientists, professionals, policymakers, investors, and other parties to disseminate their novel ideas and latest research findings in the general areas of Computer Science. The authors are invited to submit their papers to the conference for consideration and possible publication.

ICACS'27 invites full-length research papers in 9 major tracks. All the accepted papers will be published in IEEE Xplore and indexed in DBLP

Further extended versions of high quality accepted papers will be considered for publication in the Special issue of Journal of Computational Science and Applications (JSCA) - Y Category
