

18th Joint Urban Remote Sensing Event

June 30th to July 2nd, 2027

JURSE 2027 Call for Papers

JURSE 2027 Amsterdam welcomes submissions on all topics related to urban remote sensing, including:

- Sensor systems (e.g. drones)
- Methods (e.g. deep learning)
- Application domains (e.g. urban planning)
- Specific focus areas (e.g. Global South).
- 17 dedicated special sessions on a range of topics

Accepted papers will be included in the JURSE 2027 Proceedings published in the IEEE Xplore Digital Library.

Deadline: 17 November 2026
