

SIGIR-AP 2026

THE 4TH ACM SIGIR CONFERENCE ON
INFORMATION RETRIEVAL IN THE ASIA PACIFIC

*Advancing Information Retrieval,
Connecting Asia Pacific Innovation*

SIGIR-AP is the premier ACM-sponsored conference for Information Retrieval (IR) research in the Asia Pacific region.

It brings together researchers, practitioners, and industry leaders to explore the latest advances and future directions in IR and related fields.

CONFERENCE AT A GLANCE

- Datasets, Benchmarks, and Evaluations for IR
- Fairness, Accountability, Transparency, Ethics, and Explainability (FATE) in IR
- Multi Modal IR
- Domain-Specific IR Applications
- Other IR Topics

IMPORTANT DATES

Abstracts Due:

July 22nd, 2026

Paper Due:

July 29th, 2026

Workshop Proposal Due:

July 4th / 25th, 2026

Tutorial Due:

September 11th, 2026

ORGANIZING COMMITTEE

General Chairs

Aixin Sun
Nanyang Technological
University, Singapore

Zhu Sun
Singapore University of
Technology and Design,
Singapore

PC Chairs

Craig Macdonald
University of Glasgow, UK

Lizi Liao
Singapore Management
University, Singapore

Makoto P. Kato
University of Tsukuba, Japan

Workshop and Tutorial Chairs

Le Wu
Hefei University of
Technology, China

Zhaochun Ren
Leiden University,
Netherlands

Registration and Proceedings Chairs

Wei Zhang
Adelaide University,
Australia

Chenliang Li
Wuhan University,
China

Sponsorship Chairs

Yixin Cao
Fudan University,
China

Roy Ka-Wei Lee
Singapore University of
Technology and Design,
Singapore
