

ISPhOA 2026

3rd CALL FOR PAPERS

AI-driven Light-Based Technology Innovations

INTERNATIONAL SEMINAR ON
**PHOTONICS, OPTICS,
AND ITS APPLICATIONS**

 **BATUSANGKAR, WEST SUMATERA, INDONESIA**

 **DECEMBER 2-3, 2026**

BREAKING NEWS

PAPER SUBMISSION DEADLINE EXTENDED

October 15th, 2026

Submission Details: visit www.isphoa2026.org

IMPORTANT DATES

	Extended Full-paper Submission	: October 15th, 2026
	Extended Acceptance Notification	: November 10th, 2026
	Early-bird Registration	: November 10th-20th, 2026
	Normal Registration	: November 21st, 2026
	Seminar	: December 2nd-3rd, 2026
	Proceeding-ready Manuscript for Publication in the SPIE Proceedings	: up to February 18th, 2027

TOPICS OF INTEREST

- 1 Halal Authentication Technologies
- 2 Life-sciences & medical related technologies
- 3 Agriculture, livestock, and fisheries
- 4 Manufacturing and Industries
- 5 Communication & Multimedia
- 6 Functional Materials
- 7 Energy-related sectors
- 8 Transportation-related technologies

PUBLICATION OPPORTUNITIES

All accepted and presented papers will be published in the

Proceedings of SPIE

SPIE. Proceedings

The world's largest collection of optics and photonics research.
