

## About

The LNM Institute of Information Technology, Jaipur, in association with Cryptology Research Society of India (CRSI) shall be hosting National Workshop on Cryptology (NWC) 2023 in Campus from 1st to 5th August 2023. The event shall have invited talks by eminent researchers and practitioners working in the area of Cryptology in various organizations and academic institutes across the country. Subject areas of the invited talks shall include Post-Quantum Cryptography, Light-Weight Cryptography, Homomorphic Encryption and other advanced areas in Applied Cryptology. Workshop participants' profile is expected to be a mix of students working in the area of cryptology; Data Security, cryptography products' users from various defense and security agencies and cryptology product developers from organizations and companies across the country. The event is expected to increase collaboration amongst cryptology researchers within the National Community. It shall also help expose students and other workshop participants, to the cutting-edge frontiers of research and development in Cryptology and Data Security. The event shall help the LNMIIT to create more collaboration opportunities with academia as well as industry partners for carrying out National Projects in the areas of Cryptology and Data Security. As a part of this workshop, an exhibit of posters in cryptology; allied areas is also planned. Those interested may refer to 'Invite for Posters' tab. For Workshop Registration, please refer to 'Registration' tab. For Any general queries related to NWC 2023, Emails can be sent to [nwc2023@lnmiit.ac.in](mailto:nwc2023@lnmiit.ac.in)

## Programme Committee Members

- Bimal Roy
- C Pandu Rangan
- Prof Avishek Adhikari
- Debdeep Mukhopadhyay
- Deepak Garg
- Sourav Mukhopadhaya
- Somitra Sandhya
- Deepak Kumar Dalai
- Jayaprakash Kar
- Mridul Nandi

## Conference venue

Lecture hall 17, RIEP building, the LNMIIT Jaipur  
The conference will be held at the LNMIIT Jaipur. The institute is located in the outskirts of Jaipur city.

1. From New-Delhi: Well connected by road, rail and air.
2. From Mumbai, Chennai and Kolkata: Well connected by rail and air.
3. Approximate distance to LNMIIT from: Railway Station is 17.5 km, Airport is 23.2 km & Bus Stand is 16.4 km.

- We'll provide transport option from Hotel Ramada, Raja Park Jaipur, which is around 13 km from the institute.
- We suggest you to book hotels around the Raja Park area if you want to avail the pickup services from the institute.

## Call for Posters

We invite posters from cryptology groups from academic institutes and organizations across India to be exhibited during National Workshop on Cryptology 2023. The poster should be related to the current and futuristic applied cryptology research advancements possibly also highlighting the contributions of the exhibiting cryptology group. The poster will have to be brought by its authors to the LNMIIT Jaipur Campus on or before Day 1 of the National Workshop on Cryptology 2023.

The authors shall be responsible for producing, printing, and bringing the poster to the LNMIIT Jaipur. The poster format is AO (841mm × 1189mm - 33.1 in × 46.8 in)

The author has to email the title and brief description of the poster to [nwc2023@lnmiit.ac.in](mailto:nwc2023@lnmiit.ac.in) with the email subject "Poster for NWC2023" by 18th of July, 2023 and confirmation will be sent to the author via email by 19th of July 2023. One of the authors need to be present to showcase the poster during the event breaks (Morning and afternoon tea breaks, lunch) in NWC 2023 from 1st to 3rd August 2023. Wall-space shall be provided near the workshop hall to paste the posters with double-sided tape.
