

i-CIPEC 2024

18 - 20 December 2024, Swiss Garden
Hotel, Bukit Bintang, Kuala Lumpur,
Malaysia

Energy Transition for Net Zero World

**THE 11TH INTERNATIONAL CONFERENCE ON
COMBUSTION, INCINERATION/PYROLYSIS, EMISSION
AND CLIMATE CHANGE**

Conference Highlights:
Tour / Technical Visit
Gala Dinner
Renowned Keynote Speakers

**Fees
include**

All accepted papers will be
published in a **SCOPUS-**
indexed proceeding.

The International Conference on Combustion, Incineration/Pyrolysis, Emission and Climate Change (i-CIPEC) is an important conference focusing on thermal engineering and carbon reduction-related research topics.

Organized by:

Co-organized :

Conference Scope

Combustion: Gas Turbine, Advanced Combustion Technology, Products of Incomplete Combustion (PICs), Combustion of Disaster Waste.

Environmental, Health, Economy and Policy Effect: Environmental Issues with Combustion, Incineration and Alternative Energy, Hazardous Waste Treatment, Health Risk Assessment of PICs and Air Pollution, Life Cycle Assessment (LCA), Input-Output Analysis and Material Flow Analysis (MFA), Cost-Benefit Analysis.

Conversion to Clean Energy: Thermal Treatment of Sewage Sludge, Pyrolysis and Gasification, Biomass.

Waste-to-Energy Conversion: New waste-to-energy technology, Mechanical to Biological Treatment (MBT), Fuels from Waste, Biogas.

Emission Control (Air Pollution): Advanced emissions Control Systems, Emission Control and Management, PM2.5, PM10, Heavy Metal and Nuclides.

Global Warming and GHG Management: Climate Change Issues, New/Green/Renewable/Alternative Energy, Hydrogen Technology, CO2 Capture Storage.

Duedates

Abstract submission due: **30th June 2024**

Notification of acceptance: **31st July 2024**

Full paper submission: **31st August 2024**

Registration: **31st October 2024**
