

1st International Conference on Technology And Sciences (ICoTenS) 2024

IICC - Botani Square, Jl. Pajajaran Bogor
31 Oktober 2024

Transformation Towards Sustainable
Natural Sciences based on Technology

OPENING SPEECH

Prof. Dr. Ir.H. Didik Notosudjono, M.Sc.
Rector Universitas Pakuan

Asep Denih, S.Kom., M.Sc., Ph.D.
Dean FMIPA - Universitas Pakuan

KEYNOTE SPEAKER

Prof. Dr. Anna Permanasari, M.Si.
Universitas Pakuan

Prof. Dr. Eng. Kuwat Triyana, M.Si.
Gadjah Mada University

Prof. Masahiro Tasumi
University of Miyazaki

Prof. Dr. Abdul Talib Bin Bon
Tun Hussein Onn University of Malaysia

INVITED SPEAKER

Prof. Pham Van Hung
International University, Vietnam National University

Assoc. Prof. Nguyen Thi Lan Phi
Ho Chi Minh City University of Technology

Prof. Adrian J. Forca
Guimaras State University Philippine

Mr. Hisyam Abdul Hamid B.S.C, M.S.C, PH.D.
Universiti Teknologi MARA

Prof. Madya Dr. Mohd Saifullah bin Rusman
Universiti Tun Hussein Onn Malaysia (UTHM)

In the 44th Anniversary of Universitas Pakuan, the Faculty of Mathematics and Natural Sciences Universitas Pakuan Organized the 1'st ICoTenS-2024. This year 1'st ICoTenS-2024 is co-organized by the 10 University Partners. The conference theme of the 1'st ICoTenS-2024 is "Transformation Towards Sustainable Natural Sciences based on Technology".

Important Dates:

- Abstract Submission : Sept, 30th 2024
- Abstract Acceptance Notification : Oct, 14th 2024
- Full Paper Submission : Oct, 15th 2024
- ICoTenS 2024 Opening : Oct, 31th 2024

Conference Outputs:

- Full test articles will be published in a Scopus indexed journal*
- Accredited Journal (SINTA 2 or SINTA 3)*

*requirements needed

Conference Scope's:

- Pharmacy and Pharmaceutical Sciences
- Computational Sciences in Pharmacy
- Pharmaceuticals Biotechnology
- Innovation in analytical methods, techniques and instrumentations
- Innovation in material chemistry and nanotechnology
- Natural products chemistry and organic synthesis
- Biomolecular sciences and biotechnology
- Information technology in chemical sciences and computational chemistry
- Environmental and green chemistry
- Educational Chemistry
- Genetic and Species Diversity
- Biodiversity Conservation
- Ethnobiology
- Applied Biology
- Environmental Informatics
- Life Science and Technology
- Industrial operations research
- Statistics and data analytics
- Insurance and financial mathematics
- Mathematics education
- Data Science
- Robotics & Hardware Programming
- Software Engineering
- Business Intelligence
- Network Security & Internet of Things
- Image Processing
- Animation Game and Multimedia
- Augmented Reality & Virtual Reality
- Mobile & Application Development
- Geographics Information Systems
- Intelligence Decision Support System
- Natural Language Processing

Registration Fee	Category	Indonesian (IDR)	International (USD)
Presenter (Oral / Poster) and Publication (ISSN Proceeding)	Profesional	1.250.000	200
	Student	1.000.000	100
Presenter (Online) and Publication (ISSN Proceeding)	Profesional	750.000	75
	Student	500.000	50
Participant	Offline	600.000	60
	Online	200.000	30
