RESEARCH CONFERENCE ON IoT, CLOUD & DATA SCIENCE

CALL FOR PAPERS !!

The research conference on IoT, Cloud and Data Science (RCICD '20) is the premier forum for the presentation of technological advances and research results in the field of applied computer science and information technology. RCICD'20 aims to bring together researchers from industry, academicians, business delegates, research scholars and graduate students from around the world to share their experiences, new ideas and research results across aspects of IoT, Cloud and Data Science. Researchers are invited to submit their original unpublished manuscript which demonstrates current research in the area of computer science and technology.

CONFERENCE THEMES

- Cloud Computing • Internet of Things • Cloud Security • Parallel Computing • Expert Systems
- Information Retrieval • Software Engineering • Computer Networks • Network Security • Data Mining
- Bio Informatics • Decision Support Systems • Internet and Web Applications • Machine Learning
- Simulation & Optimisation • Computer Vision • Big Data • Image & Video Processing
- Artificial Intelligence • Neural and Deep Learning.
