

# CALL FOR PAPERS

## 30th International Conference Information Society and University Studies

We are pleased to invite you to participate in the 30th International Conference IVUS 2025. Conference will be held in Kaunas region, **Lithuania on 15 May 2025**.

With the aim to stimulate research and cooperation among the early-stage researchers, a traditional conference IVUS 2025 is the continuation of the annual conference series organized in succession by three universities: Vytautas Magnus University, Kaunas University of Technology and Vilnius University Kaunas Faculty.

The event was started in 1995. In 2017, the conference became an international event. For the reason of a long history of this conference, we left conference acronym according to its Lithuanian name "Informacinė visuomenė ir universitetinės studijos" - IVUS. And since 2017 it is a joint event that brings together our colleagues and organizing partners Silesian University of Technology, Gliwice, Poland.

These conferences are aimed at Master & PhD students together with their supervisors as well as at young scientists, researchers, practitioners of the field to share ideas, present research results and provide new scientific opportunities.
