

THE FOURTH INTERNATIONAL CONFERENCE OF CONSTRUCTION, INFRASTRUCTURE, AND MATERIALS

ADVANCING TECHNOLOGY IN CIVIL ENGINEERING
TOWARDS SUSTAINABLE AND RESILIENT INFRASTRUCTURE
– UNIVERSITAS TARUMANAGARA, 24 JULY 2025 –

Distinguished Keynote Speakers:

Louis Ge

National Taiwan University, Taiwan

Gustavo A.M. de Almeida

University of Southampton, United Kingdom

Hyunjin Ju

Hankyong National University, South Korea

Andy Prabowo Pho

Universitas Tarumanagara, Indonesia

Call for Paper:

- 7 June 2025
- ~~25 May 2025~~: Full paper submission
- 11 July 2025
- ~~22 June 2025~~: Confirmation of Acceptance
- 12-15 July 2025
- ~~23-27 June 2025~~: Registration and Payment
- 23 July 2025
- ~~13 July 2025~~: Camera Ready Submission
- 24 July 2025: Conference Day

Topics:

- Structural Engineering and Materials;
- Geotechnical and Earth Sciences;
- Sustainable Transportation Systems;
- Green-construction Management;
- Hydrological and Environmental Engineering
- Energy-friendly Infrastructures

Conference fee:

Presenter : IDR 3,500,325

Participant : IDR 1,500,325
