

# 2<sup>nd</sup> Nigeria Conference on Physical Sciences UNICAL-FPS-2021

Theme:

## PHYSICAL SCIENCES: INNOVATIONS THROUGH DIVERSITY FOR SUSTAINABLE DEVELOPMENT

### Sub-themes

1. Earth Sciences and Dynamics
2. Nano Science and Technology
3. Food Science and Technology
4. Block chain Technology
5. Cyber and Systems security
6. Materials and Corrosion Science
7. Statistical Methods and Applications
8. Data Science and Applications
9. Biopolymers and Cosmeceuticals
10. Herbal Medicine/Medicinal Chemistry

11. Environmental and Natural Resource Geochemistry
12. Theoretical and Computational Sciences
13. Mobile Computing & Applications
14. Impulsive and Differential Inequalities
15. Marine Science and Technology
16. Geo-sciences & Climate Change
17. Algebraic Topology
18. Harmonic Analysis
19. Engineering Science
20. Physics in Medicine
21. Education Sciences

**KEYNOTE:**  
Interdisciplinary Research:  
Examining the  
Physics-medicine Nexus

NEW DATE

**August 8 - 11, 2021**

Faculty of Physical Sciences, University of Calabar,  
P.M.B 1115 - Calabar - Nigeria

**Prof. Florence Obi**  
Vice-Chancellor, University of Calabar  
(Chief Host)

**Registration N15,000 flat rate for all participants**

Registration fee covers: Tea Break, Lunch & Conference Materials

Submit Abstract and full papers to: [physical.sciences.confab@gmail.com](mailto:physical.sciences.confab@gmail.com)

Deadline for submission of Abstract: July 15, 2021 | Submission of full paper: July 30, 2021  
for more information visit: <http://www.unicalfps.com>
