ICITEE

The 1st International Conference on Information Technologies and Educational Engineering (ICITEE 21)

19 – 20 November 2021, Tirana, Albania

ICITEE · UPT · FACULTY OF INFORMATION TECHNOLOGY · AKADEMIA E SHKENCAVE E SHQIPËRISË / ACADEMY OF SCIENCES OF ALBANIA

CALL FOR PAPERS

The 1st International Conference on Information Technologies and Educational Engineering (ICITEE 2021), is organized by the Faculty of Information Technology, Polytechnic University of Tirana with the support of Academy of Sciences of Albania. The conference will be held on November 19 - 20, 2021 in Tirana, Albania.

Authors are invited to submit their high-quality papers representing original results in all areas of computer systems and applications, communications software, telecommunications and educational engineering.

Accepted and presented papers will be published in the conference proceedings in print with ISBN and online in CEUR-WS with ISSN, while selected papers will be published at the "JOURNAL OF NATURAL AND TECHNICAL SCIENCES", published by the Academy of Sciences of Albania.

☑ Topics of interest include, but are not limited to:

- Antenna Design and Simulations
- Artificial Intelligence
- Communication Theory
- Cyber Security - Challenges and Techniques in the Business Sector
- Database Technology and Design
- Distributed and Cloud Computing
- Education Simulation and Methodology
- Embedded Software and Digital Systems
- Grid, Cluster, Cloud and P2P Computing Systems
- Information and Knowledge Management
- Intelligent Computing and Networking
- Interfaces and Communication Protocols
- IoT Technologies and Applications
- Machine Learning and Deep Learning
- Multimedia Systems and Services
- Natural Language Processing
- Network Operations and Management
- Optical and Photonic Communications
- Parallel Computing and Multicore Systems
- Radio-Frequency Engineering and Technologies
- Research/Education Methodology in ICT
- Resource Management in Multi-Core, GPU and FPGA Parallel Architectures
- Satellite Communication
- Semantic Web and Internet Applications
- Software Engineering and Software Ecosystems
- WSN Technologies and Systems

IMPORTANT DATES

Abstract Submission:	Paper Submission:	Notification to authors:	Camera Ready Submission:	Conference Dates:
September 10, 2021	September 23, 2021	October 29, 2021	November 5, 2021	November 19 - 20, 2021
