ICORIS 2021

The 3rd International Conference on Cybernetics and Intelligent System

#ONLINE CONFERENCE

CALL FOR PAPERS

On behalf of the committe, we proudly announce that **Dipa Makassar University, is organizing "The 3rd International Conference on Cybernetics and Intelligent Systems (ICORIS) 2021"**. The Conference provides a forum for presenting and discussing the latest innovations, results and developments in Information Technology, Information System and Electronic Engineering. The conference provides a forum for ICT professionals engaged in research and development to share ideas, interact with others, present their latest works, and strengthen the collaboration among academics, researcher and professionals. It is a single track, highly- selective conference attended by foremost experts in this area from academia, industry and government. **Last conference (ICORIS 2019 & 2020) proceeding has been published on IEEE Xplore and is indexed by Scopus**. This year, all accepted papers that presented in this conference will be submitted to IEEE Xplore, and selected papers will be submit to indexed scopus/wos Journal.
